

A smartphone screen displaying a registration form. The form is titled "REGISTER" in red. It includes input fields for First Name, Last Name, Username, Password, Confirm Password, Verified License Number, Permanent Address (with a location pin icon), Contact Number, and Email Address. A red button at the bottom is labeled "Register". A note states "An email will be sent for verification". A circular profile picture icon is shown to the right of the name fields.

ABOUT US

Drone Pro (by Centurian Drone) is a product aiming to provide the diversified consumer base with drones which can be used for multiple purpose. Customers can customize their drones based on their need on our interactive web portal and place an order. The company submits the order for assembly to its allocated vendor and delivers it to the client.
